(Work Experience 3 year) (BANGALORE)

June 2020 – Till Now.

1.Project: Hotel Plan

Role: Manual Testing and Automation Engg

Description:

Hotel plan was founded in 1935 and is one of the five travel brands of Hotel plan Suisse, the largest Swiss tour operator. Hotel plan Suisse is the Swiss national company of the international Hotel plan Group, which is wholly owned by the Federation of Migros Cooperatives. The main activity of Hotel plan is the organization of holidays and travel as well as sales through its own branch network and selected travel agency partners.

Hotel plan stands since 1935 for beach holidays and round trips with good quality. Similarly, Hotel plan offers individually arranged trips. The offers of the traditional travel brandlead to the most beautiful and popular holiday destinations around the globe. The offer selection options on the website allow customers to directly access thousands of hotels and flights and dynamically compile their individual holiday packages. Catalogs for boat trips, motorhomes, city breaks, holidays in the snow, wellness holidays and amusement parks complete the diverse program. At Hotel plan, customers will find excellent value for money.
